

# World Patient Safety Day 2023 Global Conference

## “Engaging patients for patient safety”

12-13 September 2023

9:00 - 17:00 CEST

The conference will feature:

- Patient’s and health worker’s stories and testimonies
- ‘Patient and family engagement for patient safety’ initiatives by countries, partners and patient organizations
- A panel discussion on advancing patient safety in the human rights agenda
- Co-development of a “Patient Safety Rights Charter” by the conference participants

Please join us to **“Elevate the voice of patients!”**
